**MEGAN ROSNER, LMSW, HURLEY  
ELDER CARE LAW AND  
MARY CALDWELL, DIR., TOWN  
SQUARE SANDY SPRINGS**

Caregiving is HARD and can be made even more difficult when your loved one resists beneficial care and assistance. Are you suggesting care in the home, adult daycare, or making a move to a senior living community but are being met with objections and refusals? Are you caring for someone who doesn't allow you to help manage medical care or finances? We'll discuss strategies to deal with resistance as well as legal options when you hit a dead end.
